

Stratmoor Heights

Semi-Custom Homes

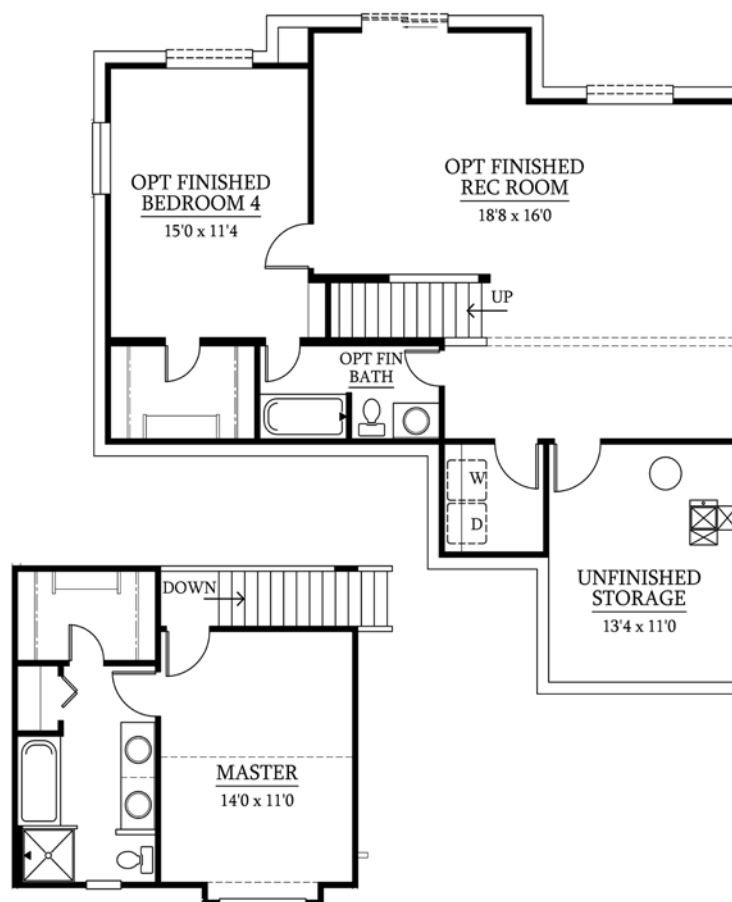

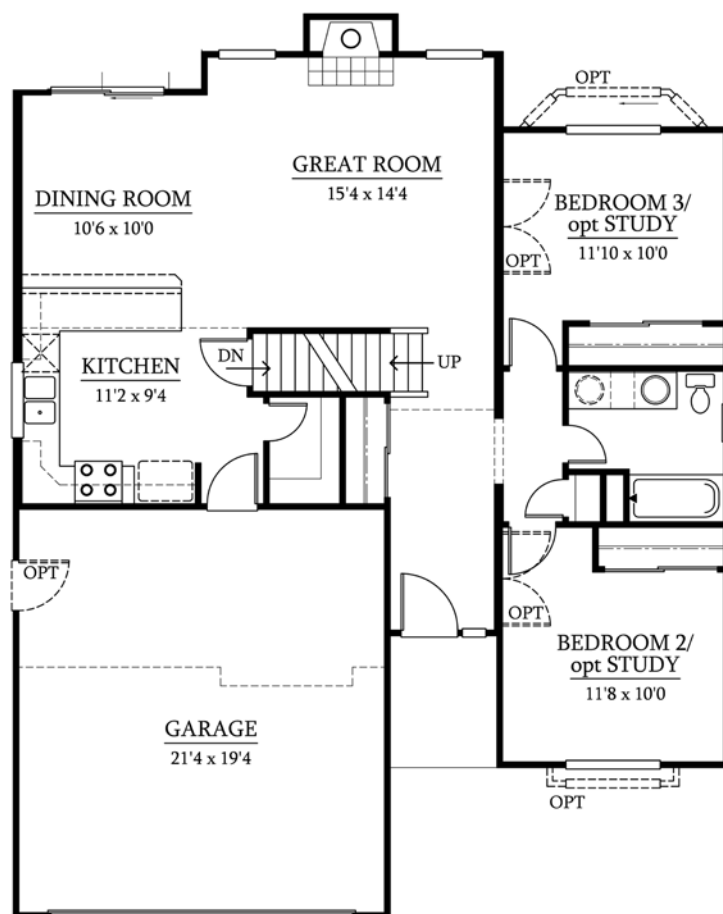

This unique custom plan has a great main level with a 2-Story vault to the private master suite. The superb suite features a 5-piece bathroom, a large walk-in closet, and offers optional vaulted ceilings.

The numerous arrangements of the main level; kitchen with pantry, dining room, great room, 2 bedrooms/studies, and 5-piece bathroom, offer something for every lifestyle.

The basement can be finished to include a 4th bedroom with a walk-in closet, an enormous recreation room, and a 3rd bathroom.
