

Stratmoor Heights

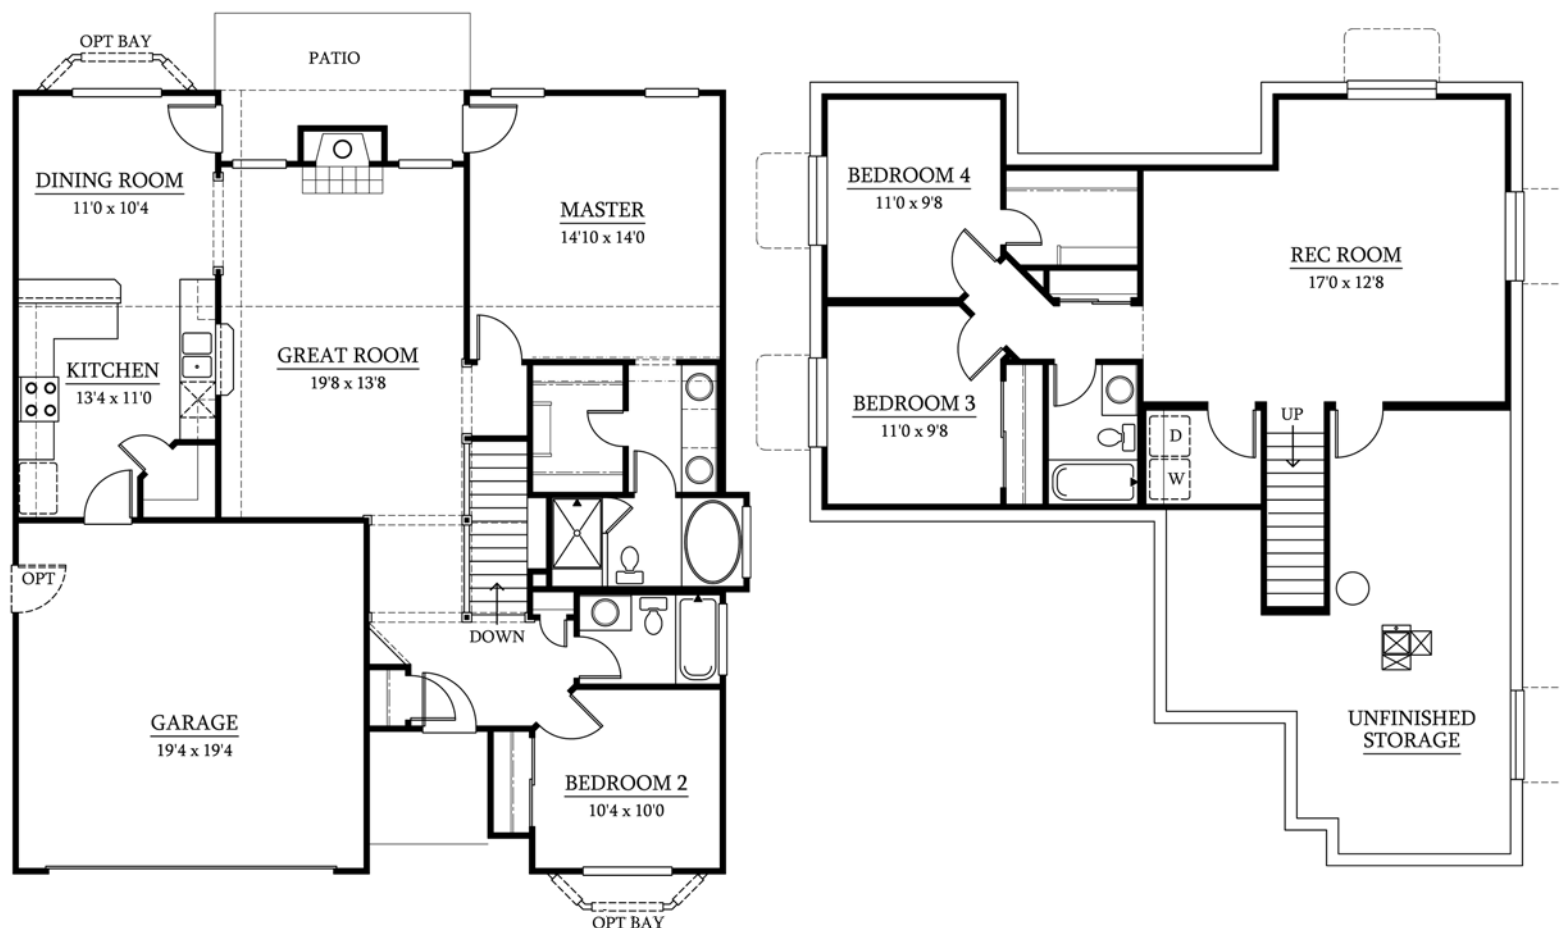

Semi-Custom Homes

This ranch-style plan has a great layout, with doors off the master bedroom and dining room. Pass through double archways to a spacious great room with center fireplace and kitchen bartop. Optional bay windows in the front and back add a nice custom design and take advantage of all the views.

Enjoy the wonderful 5 piece master bathroom with a huge walk-in closet. The basement boasts an optional 3rd and 4th bedroom with a bathroom and a spacious rec-room.
