

# Stratmoor Heights

Semi-Custom Homes

This fabulous 2-Story, with 9' main level ceilings, features a very "bright" and "open" floor plan. The oversized great room has a corner fireplace with an entertainment center niche above. The large kitchen has a corner pantry and offers an optional center island. A main level powder room, separate laundry room, and spacious dining room with an optional bay window, finish off this excellent floor plan. Upstairs features 3 bedrooms and 2 bathrooms. The master suite has vaulted ceilings, plant ledges, a private bathroom, and a walk-in closet. The basement can be finished to include a 4th bedroom, a huge recreation room, and a 4th bathroom.
